School Partnership Committee Report

The School Partnership Committee is growing again! We are happy to announce the addition of two new Board Members- Lacy Weller and Susan Kendrat. They join Lisa Saxton, Connie Dierman, Dianna Boehm and Lena Vebares to form a well-rounded committee.

On August 7th the committee met to discuss our plans for the 2024-2025 school year. Pam Webb and Amanda Miller, principal and reading specialist from Lord Baltimore, were able to attend, also. The meeting was very productive and culminated in discussing authors for the fall and spring up-coming school year. Our goal is to keep the speakers as local as possible which will therefore keep the costs to a minimum.

As things progress, we will share dates and times of the author visits for anyone who wants to attend a presentation. Many great ideas were proposed at the meeting and we have a very enthusiastic group, so Here's to a Very Exciting School Year!
