School Partnership Committee Report

Dates are getting finalized for the Fall presentations at Lord Baltimore. Patrice Gilbert will visit on Friday, November 22nd with her book on Feelings which is so appropriate for Kindergartners and 1st graders. Mark your calendars for a fun time that morning!

Lord Baltimore will also have a visit from Cathy Miller sometime in November with the 2nd and 3rd graders. I will update as more information comes in. Also, Maria Hazzard, the Supervisor at the Early Learning Center, is in contact with another local author and plans are in place for her visit in the up-coming month. Stay tuned.

Keeping the authors we invite more local, we are able to lower our costs significantly. This should bode well as we work on the new budget!

If anyone is interested in attending any up-coming author presentations, please let me know. As dates and times get confirmed, they will be posted.
